“

Tangan Anda berguna karena bergerak ke arah mana yang Anda inginkan. Demikian pula, pikiran Anda hanya berguna jika bergerak ke arah mana yang Anda inginkan,

This your hand is useful because it goes where you want it to go. Similarly, your mind is only useful if it goes where you want it to go.

“

Secara eksistensi, tidak ada yang kontradiktif – semuanya saling melengkapi. Kontradiktif hanya ada di dalam ruang psikologis.

Existentially, nothing is contradictory – everything is complementary to everything else.  
Contradictions are only in the psychological space.

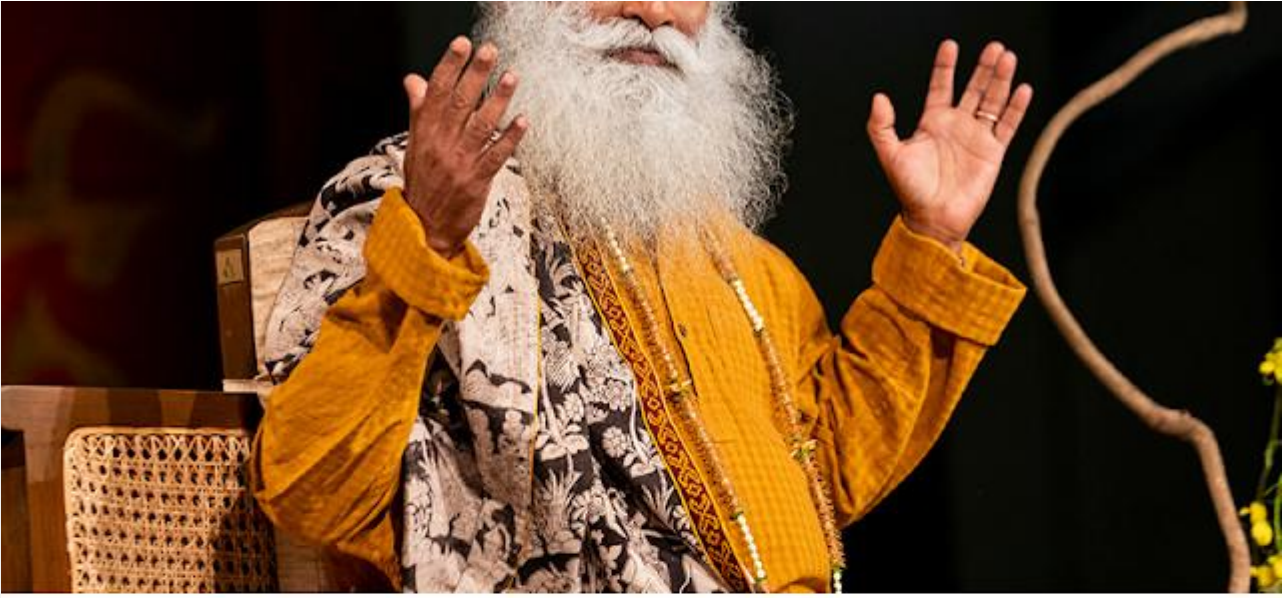

“

Semoga impian Anda tidak terwujud. Semoga hal-hal yang tidak pernah Anda impikan terjadi pada Anda.

May your dreams not come true. May things that you could never dream of happen to you.

“

Kenyataan sejati selalu absolut -  
Realitas senantiasanya berubah.

Truth is always absolute -  
Reality ever changing.

“

Melampaui keterbatasan Anda jauh lebih penting daripada tinggal di dalam batasan yang Anda sukai.

Going beyond your limitations is far more important than staying within the limitations of what you like.

“

Anda dapat mengingat masa lalu. Anda dapat mengalami saat ini. Tapi Anda bisa menciptakan masa depan.

You can remember the past. You can experience the present. But you can craft the future.
